

# The Littles

It's the lit - tles, it's the lit - tles that will al - ways help me grow;

It's the lit - tles, it's the lit - tles that the Lord wants me to know.

If I'm faith - ful in the lit - tles then the big - ger things can come,

But if I won't do the lit - tle things my grow - ing is just done.
